FAOLAN O' CONNOR'S DRAWING DEAD**BRIAN MCKINLEY****DESCRIPTION**

THE AVERAGE MOBSTER DIES AS THEY LIVE. FAOLAN O'CONNOR, HOWEVER, FINDS NEW LIFE AFTER HE DIES.

Faolan O'Connor spent his life killing for men like Legs Diamond and Lucky Luciano, and now it's his turn to face the music. But when vampire Darcy Killian offers him immortality, Faolan enters a world of violence, wealth, and power beyond anything he's ever imagined.

Driven by ambition and guilt, Faolan fights his way up the ranks in a battle to justify his sins with success. He's learned the hard way that relationships are vulnerabilities and friends are just enemies in disguise, but he also knows that he can't conquer a city alone.

Aided by an emotionally-crippled genius and a warm-hearted call girl, Faolan builds a loyal crew with which to challenge the tyrannical Killian's rule. However, will this reawakened humanity prove a fatal flaw or his ace in the hole? With his life and the future of the city he loves at stake, can Faolan play his cards right or is he drawing dead?

ABOUT THE AUTHOR

Brian Patrick McKinley doesn't really exist. He's a constructed mortal identity used by a relatively young Vampyr in order to publish the truth about The Order. Due to the worldwide influence of The Order and its minions, these accounts must all be published as fiction; however, they are all very real and actually happened. Sometimes the names and sequence of events have been changed to protect the innocent, the guilty, and to keep from getting sued.

Brian is no longer a typical Vampyr and, for this reason, lives in hiding and writes from a secret location. The real "Brian" lives a life of danger and excitement; he loves Star Trek, Game of Thrones, and Boardwalk Empire as much as he loves Chicken Fried Steak. He's a reader, a role-player, and a dreamer who doesn't believe that "liberal" is a dirty word. He's lived many lifetimes and is eager to share as many of them as possible with his readers.
